DISTRICT CHAMPION Dennis Korjenek will represent Antioch High School in the state tennis tournament at Arlington Heights this week. The story of how Korjenek played his way to the district singles title appears inside.

Officials think so

Will RTA busses catch on?

By SUE NASENBENY

Both Antioch Mayor Michael J. Haley and Marj Woodard, general manager of the Waukegan Transit Co., agree that the empty busses riding around Antioch are a problem that can be solved through educating the public.

Haley said the Regional Transportation Authority (RTA) has been in operation in the village "only a couple of months. The RTA said a new route takes about a year

before it catches on.

"We're well above the RTA's expectations. If you look at the busses, there are people on them," he continued.

Woodard said that Rte. 573, from Channel Lake and Antioch to Grayslake averages about 20 people a day, or about 100 per week.

Route number 570, from Antioch to Fox Lake and Grandwood Park, averages about 18 passengers a day, or

Please turn to page 9

Several Antioch residents contacted admitted that while they personally have not ridden the Regional Transportation Authority (RTA) busses yet, they were confident that the route only needs time to catch on in the area to be successful.

Mary Berg, of North Avenue, said her husband has used the busses a few times to travel to Waukegan but she has not ridden one yet.

SHE EXPLAINED THAT the bus passes the front of

their house, which makes it easier to catch. However, she said she would not mind walking into town to catch a bus going a different route.

The Lake Villa teacher said she thought her family would "use the bus more often." She added that if it stopped near the school at which she teaches, she would take the bus to work.

Frank Nussmeyer, a retired resident of Lakeside Drive near Indian Point, said he has not ridden the busses and

probably never would, since the area where he lives, between Antioch and Fox Lake, makes it unfeasible to travel by bus.

"I'D HAVE TO GO into Antioch to take the bus. Most everyone (in that area) has their own transportation already," he explained, adding that since residents live in an isolated section they must depend on their own

Fire station target date: next spring

More helpers needed at sawmill site

The Memorial Day holiday will be a "community work weekend" for residents of the Antioch area who want to help finish the bicentennial sawmill project.

Walt Shepard, the village's superintendent of public works, has asked people to come out Saturday, Sunday or Monday, anytime after 8 a.m.

"We need fence erectors, carpenters and people to haul rock," said Shepard.

The dedication of the sawmill will be a big community celebration on Sunday, July 2.

The sawmill site has been beautified considerably by past help from persons ranging in age from pre-schoolers to senior citizens.

Contracts were awarded Monday night by Antioch village officials for the construction of the new fire-safety building to be located at the corner of Turner Dr. and Orchard St.

Trustee Vern Barnstable said demolition of the house on the site of the building will begin in the next two to three weeks and that contractors say they can complete the building in about 10 months.

The trustees met in an adjourned session to open bids for the plumbing contract because in the previous meeting only one plumbing estimate was available.

AFTER HEARING BIDS from five contractors, the board recessed briefly while the architect, F. Michael Sutter, reviewed the bids. The five bids included Paul Avery of Lake Villa, \$82,760; McDonough Plumbing of Waukegan, \$79,463; Diemer Plumbing of Antioch, \$94,160; William Ziegler and Son of Round Lake, \$68,727 and Peter Smith of Chicago, \$89,740.

The board awarded the contract to the lowest bidder, William Ziegler and Son.

Following the acceptance of the plumbing bid, the board awarded the remaining bids to the following contractors upon the recommendation of Sutter:

FOR GENERAL CONTRACTOR, including walks, ceiling tile, basement, casework, smoke room and general enclosure, K-Mor Construction of Arlington Heights won the bid at \$642,501. The firm's base bid, without the alternates, totaled \$597,711.

R.D. Hahn and Son of McHenry won the contract for heating and ventilation for \$57,900.

For the electrical contractor, the board awarded the contract to Althoff Industries of McHenry for a total of \$68,116, including fire alarm and basement.

The total of all contracting bids amounted to \$837,244.

IN OTHER BUSINESS, Charles Van Horn of 506 Garys Dr. complained to the board of a sewer problem in Oakwood Knolls. Van Horn, an engineer at Abbott Laboratories, said the overloaded sewer in that area "is a serious problem."

He said he has seen water spurting through manholes and although he is a new resident to the area, he knows the problem has existed for three years. "I'm here to state an obvious problem and show that I'm concerned," he continued.

Tod Maplethorpe, superintendent of water and sewer, explained that engineers are currently working on the

Friday, Saturday are 'Poppy Days'

"Poppy Days" will be observed in Antioch Friday and Saturday.

Members of the American Legion Auxiliary and their friends will be "selling" the traditional poppies around town in their annual fund drive.

Mrs. Jack Horan, president of the Antioch unit, said the poppies are made by disabled veterans in Illinois hospitals.

"They derive therapy and income from assembling them," she said.

"Profits from donations are pledged 100 percent to the relief of servicemen and women and their families," Mrs. Horan said.

Sunday School - 11 a.m.

No regular mail service next Monday

The Antioch Post Office has announced that there will be no regular mail delivery or lobby window service on Monday, May 29, in observance of Memorial Day.

Officer-in-Charge Mary Chase said special delivery service will be available, however, on a holiday schedule from 2:30 p.m. to 5:30 p.m.

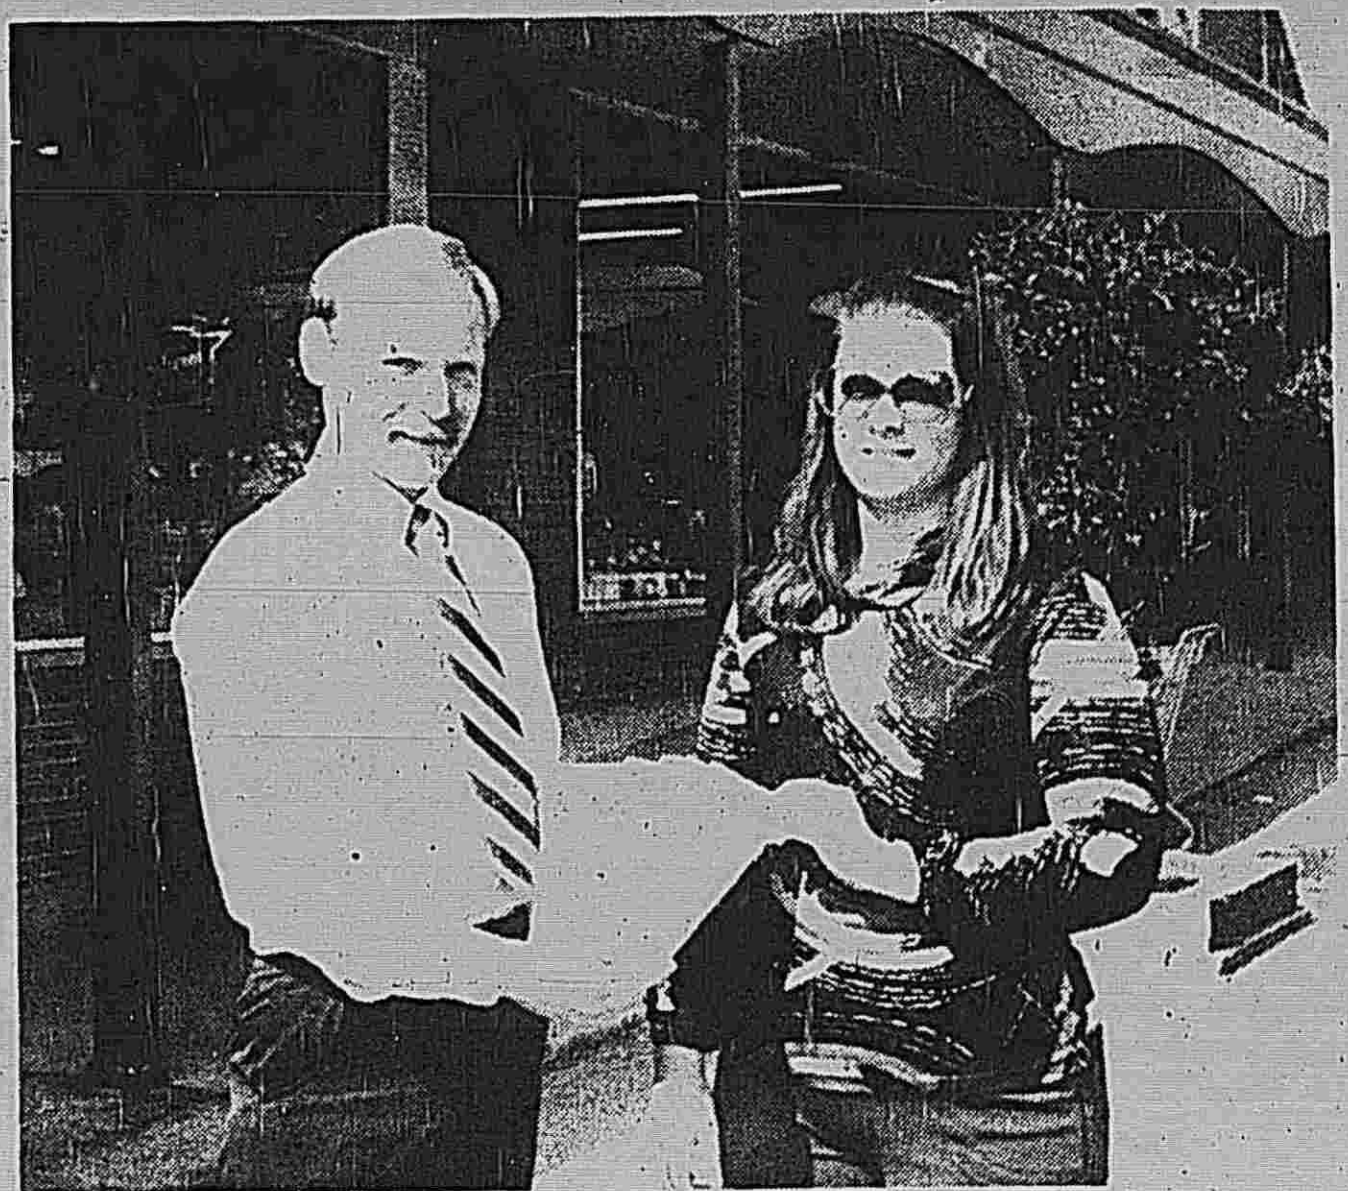

Lockbox service also will be available during those hours.

Mail will be picked up from collection boxes on Monday and customers can determine pick-up times from collection schedules on each box, she said, or by calling the post office at 395-0097.

Normal service will resume on Tuesday.

The 10,000 people who care the most about Antioch read The Antioch News

17 PRIZE WINNERS were selected in the Antioch Chamber of Commerce & Industry's "Mother's Day" promotion. Holding the gift certificates are Kenn Nelson of the Shoe Box, the Chamber's retail group chairman, and Nancy M. Kinas, executive secretary of the Chamber. The prize winners were notified last week and will redeem their certificates at 17 of the participating stores. Nelson said there were 6,500 entries.

Area students graduate from CLC

Twenty-eight students from Antioch and 26 from Lake Villa have completed their degree or certificate requirements at the College of Lake County.

They participated in commencement exercises at Waukegan West High School.

Those from Antioch were:

Dawnell Donelli, Debra Lee Blanchette, Elizabeth Boyd, Deborah Ann Caithamer, Janet Gallimore, Patricia Geiger, Cynthia Goodrich, Frederick Gras, Nadine Heilmann, Donna Hynes, Janet Johnston, Kathy Miller, Patricia Ann Mizar, James Morgan, James Nauseda, Richard C. Olson, Beverly Outinen, Jerome Pankauskas, Erick Paschen, Michael Perrone, Andrew Proctor, Amy Reeves, Diane Risch, Patti Thamerus, Lance Warnke, Guy Weinberger, Michael Witt and Mitchell Witt.

Lake Villa graduates were:

Patricia Anderson, Vicki Bawden, Juliann Belter, Cynthia Ann Christenson, David Desecki, Barbara Dixon, Gregory Gengel, Brian Goetsch, Christopher Gotski, Linda Haynes, Karl Heilgeist, Joan Irby, Wndy Kick, Karla Lee, Trudy Maple, Timothy Mertes, Cole O'Neil, Paul Petty, Roy Reidel, Larry Souder, Ronald Vickers, John Walker, Charles White, John Wolowic, Cynthia Young and Frances Zajac.

Mr. and Mrs. Saver!

Treasury Bill interest rates now available at State Bank of Antioch

Starting June 1st at State Bank of Antioch, you'll be able to get a special six-month Certificate of Deposit that pays you Treasury Bill interest rates on your savings. For example on May 15, 1978, this rate was set at 7.014 percent.

This is possible because of a new Federal regulation. You get the average auction yield for six-month Treasury Bills. And the rate, as set on Mondays and available on Thursdays, is guaranteed for the term of your certificate. These T-Rate CDs are available in amounts of \$10,000 or more and are also available to businesses. Federal law and regulation require that money withdrawn before maturity earns the regular passbook savings rate, less three months' interest.

No surcharge, no fees, no blind decisions. With State Bank of Antioch T-Rate CDs you don't have to worry about paying a surcharge or fees or extra costs, because there aren't any. And you'll always know the exact interest rate you'll earn on your savings before you invest.

For further details on our T-Rate Certificate of Deposit program, simply call (312) 395-2700 today or stop in soon for complete information from our New Accounts personnel.

DON'T DELAY...

Complete the coupon today for information on our special T-Rate Certificate of Deposit program. We'll send you everything you need.

Office Cat - Baxter

Is it the sky that bothers me, or the hardness of the ground?

By JERRY PFARR

I would like very much to board a jet tomorrow and fly to Hawaii, New York or London. I think it's the only way to travel.

But some "friends" are trying to get me up in a small airplane this week to do some aerial photography and I'm scared.

Fly in a small airplane? I've never done it, but I imagine it must feel as if you're flying around up there in a small car.

THEY CALL IT ACROPHOBIA, I'm afraid of heights. I don't even like being on top of a ferris wheel.

I tried painting my house twice and fell off the ladder both times.

The first time I noticed that I didn't bounce. The second time I impaled myself upon a picket fence. (Mine has not been a primrose path.)

A couple of years ago Bill Georgeson helped me to the roof of the Village Pub so I could photograph Main Street. Getting up was okay, but Bill almost had to call the fire department to get me down.

AT LEAST I'M IN good company. Former heavyweight boxing champion Floyd Patterson refused to fly from 1955 until 1961. Then, just as he began to fly again, an airliner

the Pfarr Corner

crashed in Brooklyn and Patterson grounded himself for a few more years.

All old baseball fans remember Jackie Jensen of the Boston Red Sox, who kept quitting his high-priced job because he broke into a cold sweat everytime he saw a portable ramp lowered.

Even that great basketball star Bill Russell confessed he often thought about hanging up his rebounds because of his fear of flying.

ABOUT 10 YEARS AGO the Los Angeles Dodgers were on a spring training flight in Florida when one of their engines conked out.

The plane limped to a safe landing, but the Dodgers kept their sense of humor.

While the plane sputtered in the sky, Manager Walt Alston said with a poker face:

"Sorry I loused it up, fellows."

Pitcher Don Drysdale, who always disliked air travel, said:

"When we land, we'll have to change one sparkplug and 42 sweatshirts."

Shortstop Don Zimmer saw the real danger in the situation.

"Well, the Dodgers really goofed up this time," he said.

They put all three shortstops on the same airplane."

Schaefer's poem to be enjoyed by bus riders

Ted Schaefer, of Antioch, an English instructor at the College of Lake County in Grayslake, has had his poem "Natural Protection" selected to appear on 1,000 Chicago buses and "L" trains during the month of June.

The pilot project, "Poetry on the Buses," is sponsored by the Illinois Arts Council in cooperation with the

Chicago Transit Authority (CTA).

Monthly poetry cards first appeared on CTA buses last February and are scheduled to appear through July.

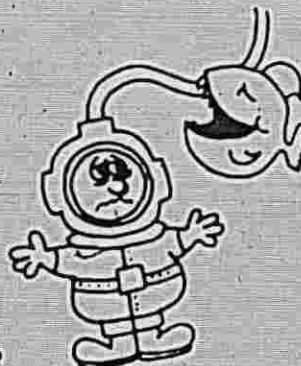

In addition to his CTA appearance, Schaefer has had his poetry and fiction published in such periodicals as "Saturday Review," "Village Voice" and "Northwest Review."

"Natural Protection" by Ted Schaefer goes like this:

When I step off the kitchen porch a soft gray mass of birds starts up and circles the roof. Feather to feather they settle as a single mind in the magic ring of oaks that shields this house from random evil.

Perform a death-defying act.

Have your blood pressure checked.

Some 'hometown newspapers' are 'skippable' ... but

Area has new flea market

A weekend flea market has been opened on Hwy. 50, outside of Silver Lake, Wis., at the old Breezy Hill farm. It features a wide assortment of items, from antiques to farm produce.

Partners Ron Mozetic and Jimmy Campbell initiated the operation when they bought the 25-acre site last February and have been planning the flea market since then.

THEIR PREVIOUS BUSINESS, Unique Antiques in Salem, has been relocated in a new building on the new site, featuring Wednesday auctions beginning in June.

The flea market will have room for 112 sellers on paved 10 by 20-foot spaces. Mozetic said they can accommodate up to 300 sellers by including the non-paved area.

Sellers will pay \$10 per day for space, which will be available on a seasonal or daily basis.

MOZETIC SAID SELLERS will range from antique collectors to those who just want to clean out their attics and garages.

A concession stand will be operated on the site, run by Campbell.

They added that buyers will have to park in the lot and not on the highway since sheriff's deputies will discourage parking along the road. The only admission charge is a 50-cent parking fee.

For more information, persons can call either Mozetic or Campbell at 414-537-4448.

Women of the Moose to install officers

By JERRI POLSON

Six members of the women of the Moose were elected as officers for the coming year: Judy Kelly, senior regent; Anita Wisniewski, junior regent; Mary Galster, chaplain; Dorothy Tralewski, recorder and Sherrie Lovell, treasurer.

Judy Cook will serve as junior graduate regent. Tuesday, June 13 will be installation practice. Installation will be June 17, followed by dinner and dancing.

Cathy Skyria will be enrolled as a member June 1. It will be a formal meeting.

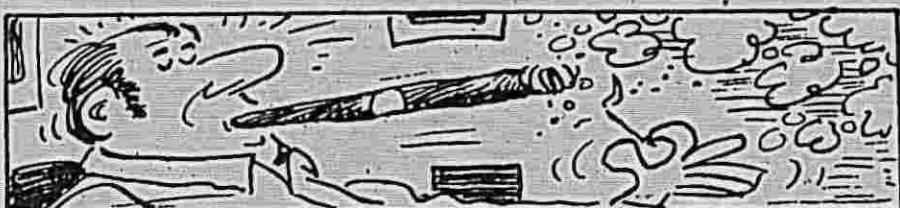

Junior graduate regent Norma Lowe presented Judy Kelly with her Academy of Friendship ring, representing the second degree of the Women of the Moose.

Judy Cook presented collegian June Ballenger with a Mooseheart honorary high school diploma for outstanding service to the chapter.

Theresa Grefkowitz received her chapter pin after attending three consecutive meetings.

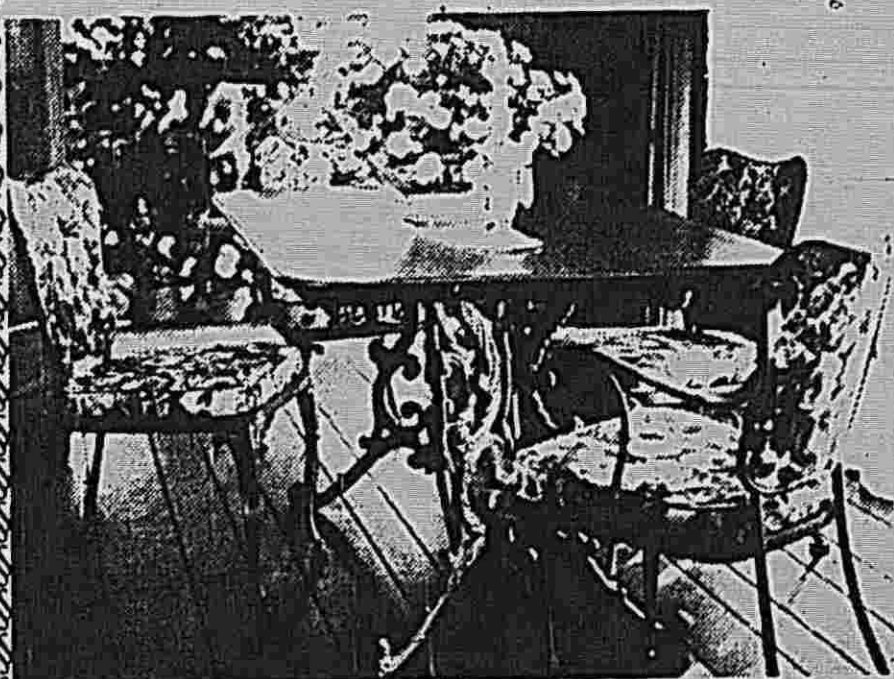

Gifts were given to May birthday members Gladys Schroeder, June Ballenger, Louise Imburgia, Judy Phillips, Marjorie Hansen and Mary Brylinke.

Stephanie Polson will be among 1,000 or more members to receive the College of Regents degree at Mooseheart on June 4. A bus will leave the Moose lodge at 7:30 a.m. For reservations members can call Jerri Polson, 395-0256. Dinner will be at Renwood Country Club en route home.

The word cigar comes from cicada, a Spanish cigar-shaped beetle.

All about town ...

By LINDA WALKER

A new sign is hanging over Ashland Jewelers.

If I hadn't seen the truck moving the letters around, I would never have noticed the change. It is identical to the old sign except that Dennis Johnson has changed the name from Ashland to Johnson Jewelers.

Dennis is excited about the change but wants to point out that the name difference will not affect the store's policy. They still intend to offer quality work and courteous service.

He said, "the sign looks the same and so is the inside of our store."

PAT SERSHON of Main Secretarial has a new addition to her staff. Don't ask who, ask what. A new typewriter.

Pat describes it better than I ever could.

"Our new IBM Selectric is almost like having an extra set of hands. We have to get the kinks out but that won't take too long."

"Visiting hours to see the new typewriter are from 9 to 4 Monday through Friday. To visit the old typewriter - by appointment only. It really must get some rest. It has been working for me since 1971 as a rebuilt."

"This, of course, calls for another champagne breakfast. With the cost of the typewriter, we may have to settle for Kool Aid."

DON DeRUE of Fisherman's Dream has been waiting

'Mailbox Improvement' week is underway

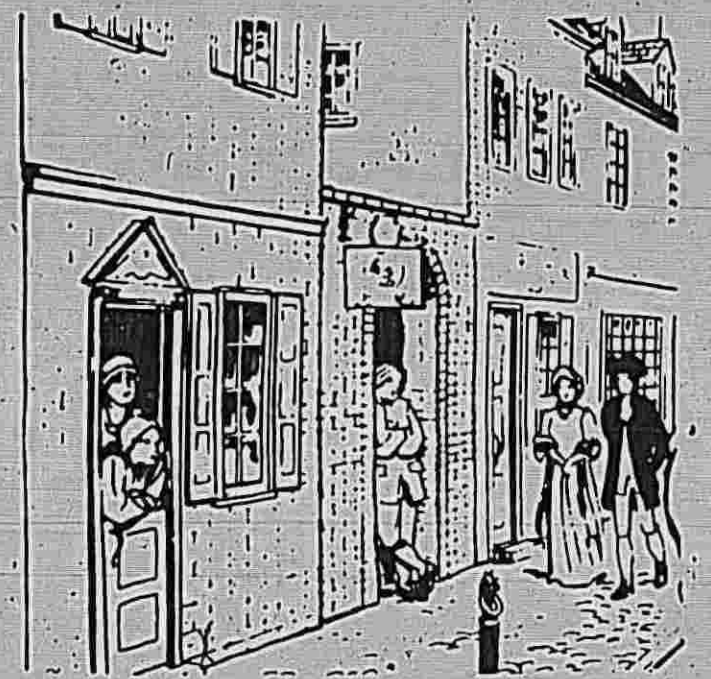

Upholding the tradition that spring is "clean-up" time around households, Officer-in-Charge Mary Chase of the Antioch Post Office has announced that this is "Mailbox Improvement Week."

"Antioch residents are urged to repair, repaint and make other improvements to all mailboxes, particularly to those located along curb line and highway contract routes," she said.

"Customers should be sure their boxes provide adequate protection to the mail and are easily reached by carriers. That helps speed collection and delivery of their mail," Officer-in-Charge Chase said.

"Attractive mailboxes also add to the general appearance of our community," she added.

The annual observance began generations ago in small towns and rural areas.

patiently for cooking facilities in his store.

You're in luck. They've been installed and now you can get that same quality seafood in carry-outs.

Don suggests you call ahead for faster service.

ERNIE LYSTILA sent us a brief note from St. Joe, Arkansas.

Ernie, you remember, was on the sales staff at Rittenhouse and Embree Lumber. Health reasons forced him into an early retirement.

Even though he's miles away, he still keeps up with the local happenings and all his friends by reading the Antioch News.

The Time Machine

70 years ago: MAY 28, 1908

Waldon Taylor, who is said to be a deserter of several days standing, from Fort Sheridan was captured by the military guard. He had neatly piled his clothes on the bank of the Des Plaines River and was swimming when the military guard came upon the scene. The clothes were confiscated. Taylor got out of the water and onto the other bank. He was sadly in need of some covering for his body, but there was the detachment waiting for him to come out so with a look of desperation he pelted up the road with the men thundering after him. On the day he stampeded a mixed picnic party, numbers of which ran screaming away at his approach, and was finally captured and brought back to the fort, this time with his clothes on.

Don't fail to hear the Lambert Hayes ladies band free concert afternoon and evening.

Miss Nell Gauger returned Tuesday from Mud Lavia, Indiana, where she went for her health. We are glad to state that she is improving.

Saturday of this week being Memorial day, the occasion will be observed in a most fitting manner. The school children and others are invited to meet at Williams Bros. store at 8:30 a.m. bring with them garlands of blossoms to place on the graves of the departed heroes, and join in a parade headed by the old soldiers, who will march to the cemetery, where a salute will be fired and the resting places of the departed soldiers and sailors will be decorated with flags and flowers. After the services at the cemetery have been concluded, the old soldiers and their families and many others will take the 10:35 train to Burlington, where elaborate memorial services will be held under the supervision of Luther Crane Post.

40 YEARS AGO: MAY 26, 1938

Soldiers dead of this community will be honored with an appropriate Memorial Day service here Monday afternoon, which is in charge of the local American Legion Post with the various organizations of the community cooperation.

Fifty-four seniors will receive their diplomas at the twenty-third annual commencement at the local high school on June 6. Principal L.O. Bright announced. The beautiful Ivy Day ceremony will be staged on the high school grounds on Tuesday morning with the following participants: Russell Doolittle, Class President; Parker Hazen, Historian; Virginia Ames, Prophet; Vileta Baethke, Alma Mater; George Hawkins, Sealer; and Jack Riddel, Spadebearer.

Mrs. Andrew Lynch is remodeling her house, making two apartments of it.

20 YEARS AGO: MAY 22, 1958

Ninety-three Antioch Township High School seniors will receive diplomas at 8 p.m. Thursday, May 29 at the forty-third annual graduation exercises in the school gymnasium. Paula Eileen Zeien is Valedictorian and Thomas James Sanhamel is Salutatorian. Joan Burton and Frank Ferdon were named outstanding girl and boy of the senior class.

In honor of the Antioch Fire Department, Mrs. Vivian Mapletorpe who operates the Telephone Answering Service on Lake Street, held an open house Sunday. At that time the firemen and others viewed the newly installed radio alarm equipment and the procedure followed after a fire has been reported. The Telephone Answering Service has full responsibility for all fire calls and handling of siren and radio transmitter. The fire department number is 690.

Winner of the first prize in marble tournaments successively at Allendale School of Boys, Lake Villa village, and the district tournament at Wilmington, Ill. is Norman Small. His coach is Elmer Kasting. He was third in the state tournament at Auburn. This is the farthest any local boy has got in state competition.

10 YEARS AGO: MAY 23, 1968

At 10:30 a.m. Thursday, May 30, the annual Antioch Memorial Day parade will begin its march from the Antioch Community High School parking lot, to the village park at the corner of Broadway and Orchard Streets.

Lt. Gov. Samuel H. Shapiro was sworn in Tuesday, May 21, as the 36th Governor of the State of Illinois at 1:30 p.m. in the House of Representatives in the State Capitol in Springfield.

Thomas Streiskal of Antioch, Republican candidate for alternate delegate to the GOP Convention discussed the campaign with Republican presidential candidate, Richard M. Nixon in the Sheraton-Blackstone Hotel.

Five Lake Villa students win top science honors at Urbana. They are Wendy Rowley, Ronald J. Tuminello, James H. Christensen, Outstanding and Donna Lewis and David J. Hartwig were 1st place winners.

NAMES in the NEWS

JOHN KAKACEK of Antioch has been initiated into Phi Eta Sigma, a national honor society for freshmen at the University of Illinois in Urbana-Champaign.

He qualified for membership by earning at least a 4.5 grade point average out of a possible 5.0 points.

John, a football and wrestling star at Antioch High School in recent years, made Illinois' varsity wrestling team as a freshman last winter.

BARBARA JO DODD, of Route 5, Antioch, received a bachelor of science in nursing degree from Illinois Wesleyan University in Bloomington. Graduation ceremonies were May 14 at the school.

Barbara was one of 42 students who received nursing degrees.

SIX ANTIOCH HIGH SCHOOL students pose with Joe Huber (left), of the village public works crew, as they apply their ornamental horticulture skills to beautify the sawmill site. From left to right: Mr. Huber, Lauren Lewis, Michael Durkin, Kelly Horton, Sandy Jansky, David Mittel and Kathee Kapischke. The students, who are studying ornamental horticulture at the Lake County Area Vocational Center, planted bushes and trees along the banks of the sawmill pond.

Oakwood Knolls sewer problem is pondered

Continued from page 1

problem, through a survey which is funded through a federal grant.

Maplethorpe said the first time the problem was surveyed three years ago, the government would not accept the study because no engineers had been hired to conduct it.

He added that now he thinks a more thorough job will be done to study the infiltration inflow and more concrete results will be obtained.

"You have to assume some people have installed illegal sump pumps. I think we've got some people who are cheating too (regarding sewer systems)," Maplethorpe remarked.

Mayor Michael Haley said the board was also concerned about the problem, but in order to find out what is wrong, a survey must be conducted.

THE BOARD APPROVED hiring Conrad Knutson of Antioch for work on the public works program at \$2.75 per hour.

The village officials okayed a resolution to encourage Richard Newland, a current trustee of the Regional

Transportation Authority (RTA), to seek re-appointment as a director on the RTA Board of Directors.

Haley announced that Newland's current term on the RTA board is due to expire on June 30 and that he has been "an outspoken advocate for more favorable treatment by the RTA in the suburban collar counties."

Haley noted that Newland has served as one of the two suburban collar county directors for the RTA for four years and has special expertise in the area of finances.

State Bank to offer new types of CD's

William E. Brook, president of the State Bank of Antioch, has announced that, starting June 1, the State Bank will be able to offer two new types of certificates of deposit at interest rates higher than those presently permitted.

"This federal action will provide more flexibility for financial institutions to compete for funds to assure an adequate flow of credit into housing and to meet other borrowing needs," Mr. Brook said.

The two new instruments being offered by the State Bank are (1) a special six-month certificate of deposit that pays Treasury Bill interest rates, available in amounts of \$10,000 or more, with no surcharge, fees, or extra costs.

Mr. Brook emphasized that this program is also available to businesses. (2) an eight year 7 1/4 percent certificate of deposit, annual yield 8.05 percent with a minimum deposit of \$1,000.

Both the six-month T-Rate certificate and the new long-term certificate are subject to existing penalties for early withdrawal, namely a loss of 90 days interest and the payment of any remaining interest at the passbook rate.

Mike McAvoy of Antioch in Italy with U.S. Navy

MIKE McAVOY of 579 Garys Drive, Antioch, is currently with the U.S. Navy Fleet in the Mediterranean.

Mike is aboard the USS Coronado. He recently has shore leave in Italy and had an audience with the Pope and received his blessing.

Mike, the son of Mr. and Mrs. John McAvoy, is a hospital corpsman, second class.

Mike wrote to his parents that "the trip across the Atlantic Ocean was pleasant and we arrived in Spain on Mar. 12. The short visit to Spain was a welcome change after seeing nothing but deep blue sea for two weeks.

"We later arrived in Genoa, Italy, for a short visit to the ancient land of Tuscany. Genoa offered most of us a chance to get off the ship for some tours and sightseeing. We left Genoa Apr. 3 and participated in another exercise off the coast of Italy, just northwest of Rome. Upon completion of these exercises we arrived in Naples, Italy, for a three-week port visit and a short maintenance availability.

"Ours is a life at sea, and a long, long series of never-ending inspections, but the teamwork among all crew members has helped us complete all our tasks successfully."

A GRAND OPENING was held Sunday at "The Beauty Stop" and prizes were given to customers. From left to right are Bill Muedini, his wife Doris, their daughter Suzanne (who drew the names of prize

winners) and Sharon Richards, Doris' sister. They have transformed the building at 950 Main St. into an elegant and charming beauty shop atmosphere.

Public transportation is thing of future -- Haley

Continued from page 1

less than 100 per week.

With busses operating all day every two hours, that figure shows that two or three people are riding the bus every time it goes through Antioch.

"THESE TOTALS SHOW that we have had no one riding the bus after 4 p.m. and the most we've ever had on the bus at one time is five people," she added.

Woodard then broke things down into monetary terms. She said the bus averages \$40 per week from bus fares, but that drivers' wages alone cost about \$100 per day.

She also said that other items must be taken into account, such as fuel, depreciation, insurance and fringe benefits.

What makes up for the loss the RTA is operating on in Antioch is the gas tax residents pay which amounts to over \$100,000 a year from Antioch alone, Haley said.

"MY WHOLE POSITION for being involved in the RTA was that after the gas tax was passed, Antioch should demand transportation service as long as the RTA was going to get \$100,000 of our tax money," Haley remarked.

He said one of the reasons Antioch did get public transportation in the first place was because the citizens "got on the bandwagon and started screaming."

Haley said that the gas tax money is supposed to remain in the counties where money has been contributed and that if that was actually practiced, Antioch would have bus service far more often than stops every two hours.

WOODARD SAID that the people of Antioch have made it clear that they want the bus service, but they are not using it. She added that if this continues, cutbacks in service will be made.

The bus official added that the RTA puts all routes on a six-month trial basis to determine whether the route is successful.

"If people want to keep the two routes that run through Antioch they are going to have to start riding the bus," she added. The six-month trial would be up in October.

Woodard said that at the recent RTA budget hearing at the College of Lake County a man from Antioch wanted to know why the RTA was running a bus that no one was riding.

She said the RTA replied that a route is only put out after consultation with public officials.

SO WHY AREN'T the people of Antioch riding the

busses?

Woodard said she did not understand the low ridership because in February when the RTA explained the schedules to a group of senior citizens and took them for a ride, a great number of them turned up at the meeting.

Haley suggested some of the factors that may be turning customers away could include the confusing schedules, fear of going on an unfamiliar route, unfamiliarity with public transportation and riding large busses.

The bus schedules, which can be picked up at the village office, the police station or any of the banks, are "very confusing to people," Haley pointed out.

"Some people, especially senior citizens, may be afraid to ride the RTA because they'll try to get somewhere and won't know where they are going," he said.

HE SUGGESTED THAT in this situation people should ask for help from the bus driver.

Woodard added that passengers should just board a bus and take it for a ride to get used to it.

"They should time it themselves so they'll know when it stops and not be afraid that they'll get lost," she said.

"Busses are in radio contact with each other and if a passenger wants to transfer to another bus the driver can reach that bus and tell him he has a passenger for him," she continued.

She said the 573 route, from Channel Lake and Antioch to Grayslake, stops at Hillside and Lake streets at 5:45 a.m., 7:10 a.m., 9:10 a.m., 10:45 a.m., 12:10 p.m., 1:10 p.m., 3:10 p.m., 4:45 p.m. and 6:45 p.m.

IN ORDER TO FIND out when the 1:10 p.m. bus, for example, would arrive at the College of Lake County a passenger only has to read across the schedule at that time to find that it would arrive at the school at 1:36 p.m., Woodard explained.

Currently Antioch only has flagstops, Haley said, which means that if a passenger wants to ride the bus he or she must wave the bus down at the place he or she is waiting.

He explained that this would create regular stops, or places where people are most likely to want to catch a bus.

Regarding the overall purpose of the RTA, Haley said he knows some people do think it is a waste, but "they have to understand that we must conserve energy and be ecology-minded."

"Public transportation is the thing of the future, just because the people in this area are not used to it does not mean it is a waste," he continued. "The busses can be

used effectively if done right.

"I'M NOT SAYING that the RTA is doing it right. Things need to be changed (to increase ridership) but we're not going to know what the problems are unless we try things out for awhile."

Possible improvements could include finding out what routes people want, printing a schedule people can read and discovering if the bus is going down the right streets in Antioch, he said.

THE MAYOR SAID he plans to bring up the village's ridership problems to the RTA at their next public hearing sometime this summer.

In the meantime, Woodard warned, if people in Antioch do not start to use the service they wanted for so long, it will be cut back.

After all, she said, the bus is a great bargain - 30 cents for senior citizens and handicapped people and 60 cents for adults to ride to Waukegan, the College of Lake County or Hawthorn Shopping Center if they want to.

"And you can not ride that cheaply by car," she added.

'RTA ridership will improve'

Continued from page 1

resources to get anywhere.

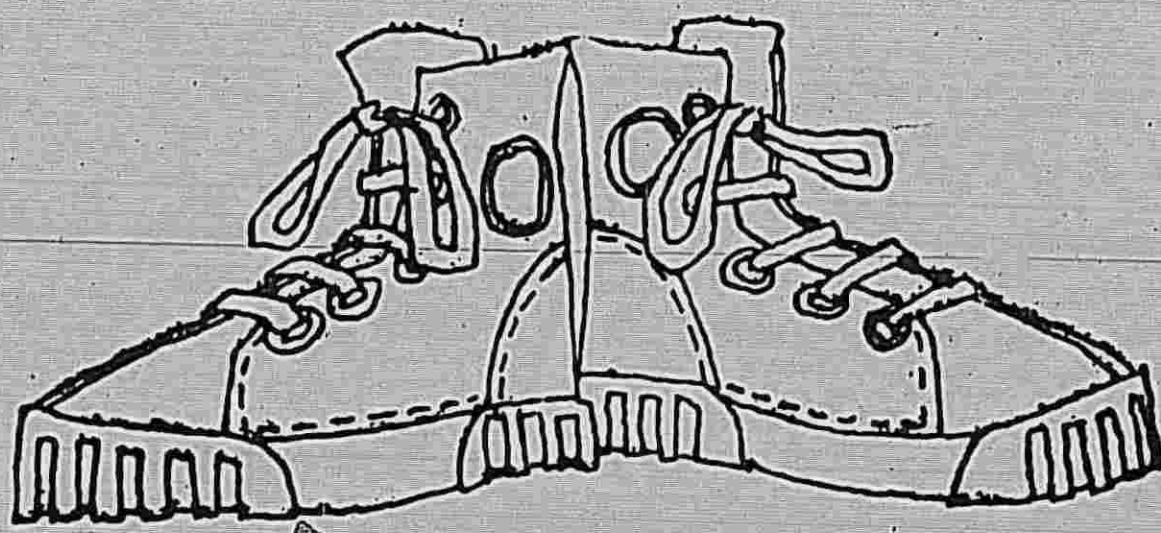

Sandra Bailey of Hillside Avenue said she has not ridden the bus, but added that "It's good to know it's there and available if you want to use it."

"I think it needs time to catch on," she continued. She said people may need time to get accustomed to the bus schedules and routes, adding that the schedules are confusing because the return routes are hard to determine.

A RESIDENT OF LAKE STREET said she does not ride the RTA busses herself, but said she thinks ridership will improve "when the summer resort people come out."

She added that some residents have complained that one of the routes stops at Chase's Service Station west of Antioch in Channel Lake and does not travel further into Channel Lake. These people, she said, would probably ride the bus if it went down Lake Avenue and further into Channel Lake.

COREY DROSEN and SCOT MANSFIELD

Corey Drosen plans Sept. 17 wedding

Woodstock will be home for Corey Drosen and Scot Mansfield after their marriage in the Victory Memorial Hospital Chapel Sept. 17.

Corey is the daughter of Mr. and Mrs. John Drosen of Antioch and is employed as a nurse's aid in Woodstock.

Scot, the son of Mr. and Mrs. William Mansfield, Woodstock, works as an auto mechanic after completing two years at McHenry College.

Carol Wells' wedding set for August

Carol Wells and Jerry Callaghan will exchange marriage vows in St. Peter's Church, Antioch, on Aug. 5.

The bride-elect is the daughter of Mr. and Mrs. Richard A. Wells of Antioch. She graduated from the University of Illinois in 1977 and is a research assistant with the Institute for Environmental Studies at the university in Champaign-Urbana.

Her fiancé, the son of Mr. and Mrs. Martin Callaghan of Chicago, is a second-year law student at the university.

CAROL WELLS and JERRY CALLAGHAN

Wedding is followed by a Big Mac

By SUE NASENBENY

When Ken Cichon and Elizabeth Boyd of Antioch and their wedding party of eight were an hour late for their reception at Paty's Lounge in Channel Lake, Mrs. Mary Boyd said she was getting a little worried.

"Where are they?" she wanted to know.

The whole group, including the new bride and groom, finally rushed in to a big crowd waiting for them. The late-comers were wearing McDonald's hats and explaining that they took time out for a free Big Mac and some french fries.

THE GUESTS THEN began to applaud and Mrs. Boyd explained that it "started the reception off right. Everyone was in a good mood."

Cichon, the son of Ted and Mary Cichon of Antioch and Elizabeth, the daughter of George and Mary Boyd of Antioch, were married at 3 p.m. at St. Peter's church on Saturday.

The bride was a 1976 graduate of Antioch High School and the groom graduated from the same school in 1974.

AFTER THE CEREMONY, a reception was scheduled for 5 p.m. at Paty's Lounge. Mrs. Boyd said some of the guests followed the bridal party after the wedding but then decided to go ahead to the reception.

While the guests waited, the groom's best man

suggested stopping at Antioch's McDonald's because he heard something advertised which said that if a group showed up in wedding attire, the restaurant would feed them, Mrs. Boyd said.

They did just that, and were treated by McDonald's, although the manager said later that it is no regular restaurant policy to do so.

The group assembled underneath the golden arches and took pictures and then decided to go to the reception.

Mrs. Boyd said everything turned out great and that the surprise added a warm touch to the wedding reception.

The couple are now honeymooning in Disney World in Orlando, Fla.

Freshman Sequoits are co-champions

On the strength of a doubleheader victory over Stevenson High School, the Antioch freshman baseball team closed out the conference season with a 13-3 record and a first place tie with Grant in "Northwest Suburban-North."

In the opener last Saturday, Terry Dewar pitched the Sequoits to a 15-5 victory. Hitting stars of this game included Mark Pomazak, Dino Sisto, and John Eckert. Each player hit a home run, with Pomazak driving in four runs. Getting three hits were Brian O'Neill, Greg Schroeder and Sisto.

Dean Haviland and Tim Koesser combined to pitch a two-hitter, as the freshman Sequoits defeated Stevenson 16-4. Stars included Dan Johnson with three hits, one being a grand slam home run. Pete Weber and Pomazak also homered for the Sequoits.

Final statistics showed Pomazak, as the team's leading hitter, at .507. Closely following him were Johnson at .489,

Sisto at .455 and O'Neill at .440. Pomazak and Sisto also tied for the team leadership with five home runs each.

Much of the pitching burden was carried by Tim Koesser (8-1) and Terry Dewar (5-1).

"This squad will give Antioch a bright future in baseball, as these players move up to the sophomore and varsity levels," Coach Tom Baba said.

A SUBURBANITE PUT on a last-minute spurt of speed to catch his train—but missed it. A bystander remarked, "If you had just run a little faster you would have made it."

"No," the suburbanite replied, "it wasn't a case of running faster, but of starting sooner."

Collins and Homan of Antioch star at Speedway

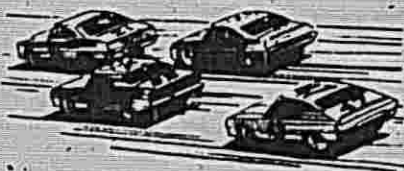

The first weekend of speed for the 1978 season is planned for this coming Memorial Day weekend at the Waukegan Speedway.

The Speedway will host regular shows on Saturday and Sunday nights with twin 25-lap features on tap for Monday for the late models.

The Monday show will be completely open competition. Early entries include defending late model champion Don Collins, current point leader Tom Homan, Danny Brown, George Feltzer and Jim Zwirdgas.

Drivers from as far away as Bloomington, Ill., and northern Wisconsin have expressed an interest.

A regular late model show with a 25-lap feature will be run Saturday with the Interstate Racing Association

super-modifieds running on Sunday. Hobby Stocks will run all three nights.

Tuesday will be reserved for a rain date for any one of the three nights.

Gates open at 6 p.m. with time trials at 7 and racing at 8 every night at the Speedway. The track is 1/4 mile east of Rt. 41 on Washington St. in Waukegan. Track, weather and information phone is (312) 662-8200.

ARMED FORCES NIGHT at the Speedway saw Collins of Antioch win his second 25-lap feature of the season. Waukegan's Larry Cash won the hobby stock main event.

Antioch's Tom Homan led until Collins overtook him on lap nine. Collins, the fastest qualifier, was followed across the finish line by Homan, Fred Royal, Ed Schubert, and Mike Frost.

Dr. Donald E. Skidmore (standing at left in photo above) was welcomed to Antioch Sunday at an open house at Oakland school.

Dr. Skidmore takes over as superintendent of Antioch's Grade School District No. 34 on July 1. Seated are (from left) Gail Heath, school board president; Dr. Skidmore's wife, Evy, and Garnet Cook, school board member. Standing with Dr. Skidmore are three other board members: Sid Parker, Ed Haley and Jimmie Quedenfeld.

Antioch High School's superintendent, Warren Polley (left) and Mrs. Polley were on hand Sunday to greet the new grade school superintendent, Donald E. Skidmore and his wife, Evy.

THE GRADE SCHOOL PRINCIPALS who will work with Dr. Skidmore include Harlan Ware (left), William J. Herbst (second from left) and Walt Soderman (right). They posed with Dr. Skidmore and his wife, who came here from Amboy, Ill., for Sunday's open house. Paul Hein, principal of Channel Lake school, also was present.

ANTIOCH'S MAYOR, Michael J. Haley (right) and his wife, Sue, were among the many grade school district residents who chatted with Mr. and Mrs. Skidmore at Sunday's open house.

Memorial Day services in Millburn

Memorial Day services will be held at the Millburn cemetery on Tuesday, May 30, beginning at 2 p.m.

Mrs. Howard Bonner said a local committee sponsors the event every

year. An honor guard from the American Legion post in Gurnee will participate.

In case of rain, the services will be held at the Millburn Congregational church, at the corner of Hy-

45 and Grass Lake Rd. Ed Kurek, an administrator at Antioch High School, will be the speaker

for the occasion. Mr. Kurek is a veteran of 23 years in the U.S. Navy.

The joints have nothing to do with "double-jointedness." Actually it's the ligaments that are loose.

Village plans swimming, other summer programs

A free Memorial Day swim will kick off the opening of the Antioch Aqua Center as well as the summer programs offered by the Antioch Parks and Recreation department.

The Aqua Center's heated pool will be open free to the public on Monday and will be open for swimming on Saturday and Sunday for an admission price.

Registration is open now for pool membership at the village hall from 8:30 a.m. to 4:30 p.m. Memberships cost a family of four \$35 for the summer and non-residents \$38, with each extra child \$3 for residents and \$3.50 for non-residents.

Single memberships are \$16 for residents and \$18 for non-residents.

Daily fees for non-members are \$1 for children, \$1.25 for adults and 50 cents for senior citizens.

VILLAGE RECREATION coordinator Sue Koppa has announced several swimming and diving instruction sessions, including beginners, pre-school, intermediate, advanced life saving and water ballet.

The pool will also be open June 3 and 4 and, beginning June 9, will be open everyday for the summer.

In other events, a spring tennis tournament for students, grades six through 12, will be held June 2, 3 and 4 at Doc Jensen Park and the Antioch High School courts. The only fee is three new tennis balls. Applications are available through Coach Ron Halpern at the high school.

Also, tennis classes at Jensen Park and the high school will be held in two sessions during the summer, taught by Halpern and Kathy Barber. The cost is \$10 for adults and \$8 for children.

Lessons will range from ladies' beginning classes to

mixed tennis leagues for kids and beginning classes for adults.

The State Bank of Antioch is also sponsoring a tennis tournament July 21, 22 and 23 for all ages. The fee is a new set of tennis balls. Applications and more information will be available later.

A PUPPETRY CLASS with Pat Parker will be sponsored by the recreation department for all ages June 12 through June 30. The fee, which includes materials, is \$10. It will be held in the Antioch Lower Grade School from 10 a.m. to 11 a.m.

A cardio-pulmonary resuscitation (CPR) class will be offered in cooperation with the Antioch Rescue Squad if enough interest is shown. Dates, times and place will be announced later. Sue Koppa, coordinator, can be contacted at 395-2160 for further information.

Two little Sequoit summer camps will be offered for pre-schoolers, ages 3 to 6, and for grade school children, ages 7 to 12, at the Scout House.

The fee is \$10 for the pre-schoolers, who will meet 9 a.m. to 12 noon Monday through Friday in weekly sessions. The limit for each session is 30 children. The camps begin June 12 and run through Aug. 7. Registration must be made one week in advance for the camp.

For the grade school children, the camp will meet Monday through Friday during June and July from 9 a.m. to 3 p.m. and half a day in August from 9 a.m. to 12 noon. The fee will be \$15 for all day and \$10 for half day.

A CHILDREN'S THEATRE group will present performances in cooperation with PM&L Theatre and the

recreation department under the direction of Charles Brown. Scheduled are a special July presentation and

other mid-summer shows.

An adult conditioning class for those 16 and over, directed by Kit Kakacek, will meet Tuesdays and Thursdays from 6 to 7:30 p.m. at the Antioch Aqua Center and will feature jogging, tennis, exercise, cycling and swimming.

Held in three sessions beginning June 13, the cost of the class is \$6 per session.

A TEENAGE VOLLEYBALL program instructed by Marilyn Spietz will be offered to help learn skills and fundamentals through game play. It will be held at Williams Park from 6 p.m. to 8 p.m. Tuesdays and Thursdays from June 26 to July 14. The fee is \$5 for six meets.

Also, a dog obedience class is scheduled Monday night for eight weeks beginning June 1, sponsored by the Antioch Kennel Club. The hours are from 7 to 8 p.m. and the fee is \$15.

Other Antioch community events planned in June include the State Bank bicycle rodeo for ages 6 to 15 on June 14, the Fire Department's dance on June 24, and a bus trip to a Chicago Sting soccer game June 28.

Registration for all parks and recreation programs will begin June 5 from 8:30 a.m. to 4:30 p.m. Monday through Friday, at the Village Hall.

Ohm: What did the electrician say when his son came home late for dinner?
Amp: I don't know, watt?
Ohm: Wire you insulate!

THE PEOPLE WHO SHOP IN ANTIOCH ...

The Antioch News

Turn your home into an energy conservation machine.

With a heat pump.

Instead of burning scarce fuels, the heat pump uses electricity to capture heat from a limitless energy source. The sun. It's the most practical, efficient heating and cooling system you can install today. And it's dramatically changing the way we use energy.

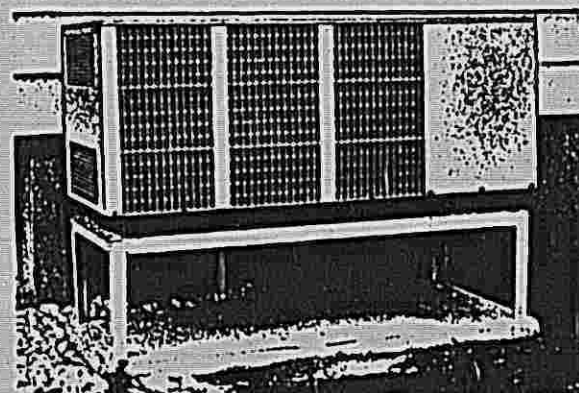

Turns heat energy outside in and inside out.

The same principle that makes the heat pump work is already at work in your home inside your refrigerator. In fact, a heat pump is a lot like a refrigerator.

There's an indoor unit that consists of a coil and fan. There's an outdoor unit that consists of a coil, fan and compressor. Piping connects them. Inside the system, a refrigerant circulates, "carrying" the heat from inside out and outside in.

Even on the cloudiest, coldest day of winter, there's still solar heat in the air. The refrigerant in the outdoor coil absorbs this heat, is compressed and pumped inside. The heat comes out, keeping you warm.

In summer, the process is reversed. Warm air inside the home is blown over the indoor coil. The refrigerant absorbs this heat, is pumped outside, then condensed. The heat comes out, leaving you cool.

The amazing heat pump is installed on the outside of the home and is about the same size as a conventional central air conditioning unit.

No matter how the temperature changes, the heat pump automatically makes the necessary changes to keep you comfortable. And the unit filters the air and dehumidifies, too.

Produces more energy than it uses.

That's why the heat pump is a real energy conservation machine. In a typical Illinois winter, a heat pump provides at least 1.5 units of heat energy for every equivalent unit of electricity it uses.

Unlike systems that merely use up energy to make heat, the heat pump uses electricity to produce more energy than it uses. It's this extra energy bonus that makes the heat pump a smart investment.

The initial cost is a little higher. But the operating cost is lower. So in the long run, the heat pump can help you save.

How to get one:

You can often replace your present system with a heat pump. Installing a heat pump in a new home is even easier.

Either way, it's important to get a quality product and have it properly installed and serviced. For the names of qualified installers in your area, call G.W. Berkheimer Co. (Westinghouse Distributors), (312) 374-4411; General Electric Co., (312) 496-6200; Lennox Industries, Inc., (312) 593-2820; Temperature Equipment Corp. (Carrier Distributors), (312) 681-6220; or Central Furnace Supply (Bard Distributors), (312) 355-1220.

We'd like to help. Call your local Commonwealth Edison office and talk to one of our marketing engineers about your plans.

The electric heat pump—one more reason electricity is the Conservation Energy.

Your Guide to Fine Dining and Excellent Entertainment

THE ENTERTAINER

'Harvey' opens here on June 3

Harvey, the giant and mainly invisible white rabbit, will soon move into the PM&L Theater, 877 Main St. in Antioch.

His first "appearance" there will be Saturday night, June 3, and, with luck, you might also catch him on Friday and Saturday nights, June 9, 10, 16 and 17.

Curtain time for all performances of the play, "Harvey," is 8:30 p.m.

Not everybody can actually see Harvey, even though he is over 6 feet tall. It is necessary to have a special relationship to him, which is enjoyed primarily by Elwood P. Dowd, played by Tom Hausman in the PM&L production. Although she does not admit this to everybody, Elwood's sister, Veta Louise Simmons (Yvonne Dyer), sometimes sees Harvey herself.

TO BE PERFECTLY plain about this, it is not certain or easy actually to see Harvey. For example, the original Broadway production ran for 1,775 consecutive

performances, and the audience actually saw the rabbit in only one of those shows. So you can see what you are up against.

The PM&L production is directed by Don Beveroth, who has frequently been seen in Antioch, even if Harvey hasn't.

Members of the cast include Dena Fabry, Robin Macier, Lillian Allen, Pam "Nursie" Guardi, Larry Bersie, Dick Dyer, Frank Greenwood, Irene Hahn, George Blanksten and Bill Seemann.

"Harvey is played by himself," Beveroth said with a wink.

THERE IS PLENTY of "sex and violence" in "Harvey," especially when Veta Louise is attacked by a man in a white coat who tears off her clothes.

"There will therefore be full houses for all performances, so you had better call 395-3055 early to make your reservations for the night you will be seeing this Pulitzer Prize-winning play," Beveroth said.

St. Peter's bake sale is Saturday, Sunday

St. Peter's Women's Club will hold a bake sale after masses on Saturday evening and Sunday morning in Father Frawley Hall.

Mary Franzen, chairman, is asking all the ladies of the parish to bake for the sale.

Proceeds will be donated to the sisters at the Convent of the Holy Spirit in Techney, Ill., to be used in their mission work.

"Give Mom a break this Memorial Day weekend and purchase some of the goodies at the bake sale so that she will not have to bake for the family," Franzen said.

THE WOMEN'S CLUB will hold its annual rummage sale on Saturday, June 24, from 9 a.m. to 5 p.m. in the social center.

Donations of clothing and household items will be

accepted beginning June 12 in the family room of the social center.

Volunteers are needed to sort and price items for the sale. Loretta Schiffmann and Marge McKinney are co-chairmen.

The club and its guests will meet at the Country House on June 6 at 7 p.m. for the "Non-Installation Dinner."

"If you wish to attend, but have not made your reservations, please call me at 395-1108, before May 29," said Jerry Dost.

THE ANNUAL SALAD BAR luncheon will be held on Saturday, Aug. 19. It is believed to be the 50th annual salad bar luncheon.

"If anyone has information to offer to affirm this fact, or prove otherwise, please call me at 395-2547 before May 27," said Betty Hope, chairman.

WINNING "BEST OF SHOW" award for his colored pencil drawing, "Birth of a Genius," Jim Bakula stands below his work which he presented in an Antioch High School art demonstration held in conjunction with the school's theatrical performance of "Scapino."

Antioch getting up a parade for July 2

Floats, decorated or antique automobiles, and marching units are being sought for the Sunday, July 2, parade leading to the dedication of Antioch's Hiram Buttrick sawmill.

Merchants and organizations interested should contact Jimmie Quedenfeld, parade chairman, at 503 Naber Ave. His phone number is 395-1355.

"We hope this parade will be a real big one, but it all depends on how much help the merchants, organizations and clubs put out," Quedenfeld said.

'Honors Day' Thursday at high school

An Honors Day program which will recognize outstanding students will be held at 2:30 p.m. Thursday at Antioch High School's cafeteria.

The program will feature representatives from the community, school and armed forces who will present awards. Families of the students have been invited to attend along with friends and relatives.

Also, the regular monthly meeting of the board of education of Antioch High School, District 117, will be held at 7:30 p.m. Thursday.

Memorial Day parade here Monday

The Antioch American Legion Post will sponsor a Memorial Day parade next Monday.

The parade will start at 10 a.m. at the Antioch High School parking lot. The route is north on Main Street to Orchard Street, then to the corner of Orchard and Broadway streets where there will be memorial services. The guest speaker will be Warren Polley, superintendent of the Antioch High School district.

The Rev. T.A. Bessette of St. Ignatius Episcopal Church will lead the group in the invocation and benediction.

The parade will have marchers, bands, cars, trucks and floats.

"Anyone who wants to help us honor our war

heroes by participating in the parade, please call me," said Bernard F.

DeVries, commander of the Antioch Legion Post. His phone is 395-3975.

Astro- Analysis

By Sonia

ARIES [March 21-April 19] - You can smooth out differences with family members; things are now more harmonious on the homefront. Those with experience are influential.

TAURUS [April 20-May 20] - Minor details should be tackled as you are good at clearing up the clutter now; get all paperwork completed. Short travels are favored.

GEMINI [May 21-June 21] - Routine matters are hard to follow now; you get the opportunity to experiment with challenging offers. Added energy lends enthusiasm to disposition.

CANCER [June 22-July 21] - You get good opportunities to expand horizons, cultivate those creative talents. A good week to set new goals, pursue objectives.

LEO [July 22-August 21] - Plans may suffer a temporary setback; use the time for reconsidering aims. A slower paced week can be advantageous and add new insight.

VIRGO [August 22-September 22] - Friends and acquaintances are inspirational; social events could be the focal point for new offers, career opportunities. Higher-ups take notice of your efforts.

LIBRA [September 23-October 22] - Employment affairs continue to hold precedence; handle new assignments with care. An excellent time to establish sound financial footing.

SCORPIO [October 23-November 21] - Consider new educational pursuits or some new course of study aimed at self-improvement. Distant travels are intriguing; contact distant kin who share your views.

SAGITTARIUS [November 22-December 20] - Joint business affairs may require your attention now; talk over situation with partner. By working in unison you are able to gain in financial endeavors.

CAPRICORN [December 20-January 20] - An offer from colleagues or associates is abounding; also new offers that involve a partnership. Look carefully at the fine print before signing contracts.

AQUARIUS [January 21-February 19] - An effort to display talents should be made. Romantic pursuits are favored so circulate, accept invitations to gala events. Enjoy recreational goings on.

PISCES [February 20-March 20] - Bright ideas can offer fresh ways to display talents. Rapport with kin, neighbors is excellent, talk over plans with them. A stepped-up social pace is indicated.

Art awards

Art award winners at Antioch High School received ribbons for work ranging from painting to architecture in an art show presented in conjunction with "Scapino," a high school stage production. In the upper left photo, Steve Davis, left, stands below his air brush work entitled "The Dying Swan" for which he received second place. Bill Gers, right, received a first place for his water color of "The Drifter."

In the upper right, the architecture of Pete Ploss, left, received a first, Elayne Hannert was given a third place and Tim Haviland received a second.

Below, Kathy Anderson, left, was given a second for her ceramic of a box and lid, Julie Lytle received a third for her double spouts ceramic, Debbie Boehm was given a first for her sculptured hand and Hope LaChance received a first for her blank ink drawing of a bird, entitled "Proud Heritage."

Jon Gibson earns wrestling tour

Antioch High School wrestler Jon Gibson captured the 106 pound title Saturday in the Illinois Wrestling Federation's Cultural Exchange qualifying tournament.

Wrestling Coach Ted DeRousse said in winning the tournament Gibson has qualified to tour with an Illinois team through Pennsylvania, Ohio and Maryland for two weeks in June and July.

He said the team will wrestle at seven sites and tour points of interest in the East. Wrestlers will stay in homes of other athletes as they travel from site to site.

Gibson wrestled four opponents in the tournament, winning three matches by pin and an 18-12 decision, DeRousse said. Gibson's brother, Marvin finished second, losing his final match to Jerry Kelly, a two-time Illinois state champion.

Marvin, competing at 132 pounds, had one decision and three pins before his loss to Kelly. He also had the tournament's fastest fall in five seconds.

DeRousse said Marvin is an alternate selection to make the trip if the champion cannot attend.

The Cultural Exchange and 50 other tournaments are sponsored by the Illinois Wrestling Federation in the international styles of wrestling.

"THE BIG ORANGE" open house specials were displayed last weekend at Ted's State Line Service, on Hy. 83 at the state line. Showing their Jacobsen tractors, mowers and other products were (from left) Art

Wertz, Elaine Wertz, William Ozga, Ted Ozga and Sally Ozga. Their open house attracted customers on Friday, Saturday and Sunday.

Soph tennis team has super season

Antioch's sophomore tennis team won its second consecutive conference championship with a 4-1 win over Stevenson.

Antioch's only loss came early in the year to Cary-Grove.

Since then the sophomores have shut out 12 of 16 teams and compiled an impressive 17 and 1 record.

JIM NIKOLAI PLAYED first singles the entire season and had a 15-5 record and a second-place finish at the Rockford Harlem eight-team meet.

Gary Manual, playing mainly second singles, was 17-3 for the season. Both will help next year's varsity which is losing Dennis Korjenek, Keith Rezin, and George Richter to graduation, Coach Ron Halpern said.

Dan Rezin compiled the best record of any freshman in the three-year history of the team, 18-2, the coach said. Dan improved with every match and "if he plays through the winter he will be ready for the varsity team next year as a sophomore."

Rezin and Phil Herrera finished second in the Harlem tournament at first doubles. Herrera finished 17-2, mostly at first doubles.

"Phil will also help next year's varsity squad," Halpern said.

Frank Skradski, a freshman, finished with a 13-6 record. Darryl Blanchette, 13-1, is another freshman who could break into next year's varsity team if he continues to improve, the coach commented.

John Goth was Blanchette's doubles partner most of the year and was 14-5 for the season.

Both the varsity and sophomore teams have one statistic worth mentioning, Halpern added. At each level, only one person was absent in 24 meets, and no players were ineligible due to grades or discipline.

Frosh-Soph girls 13-4 in softball

The Antioch girls frosh-soph softball team ended its season last week 13-4 overall and 8-2 in conference play, Coach Julie Pederson said.

She cited powerful hitting, enthusiasm, energy and "never give up" attitude as the team's main strengths. Antioch finished second to Round Lake in the North division of the conference this year and Pederson said it should be a contender next year as well.

Following is a rundown of the games played in May.

ANTIOCH TRAVELED to Cary Grove May 8 and won 22-21. Outstanding hitters included Karen Pape, Jody Gossman, Chris Byrne and Lorna Whitton. Defensive standout was Byrne at shortstop, Pederson said.

The Sequoias invaded Lake Zurich on May 11 and won 17-4. Antioch had 19 hits, while Lake Zurich could only manage three, the coach added. Kathy Bailey and Darlene Olsen led with four runs batted in each and eight members of the team batted in at least one run. "Byrne again shone on defense, making some outstanding plays," Pederson said.

ANTIOCH BEAT Lake Forest 7-4 on May 12. Coach Pederson said the Antioch girls played their best defensive game of the season. Pitchers Teri Macklin and Lori Hucker held Lake Forest to eight hits while striking out three.

Pederson said Mary Ann Cilik, Byrne and Macklin provided the hitting power in the game.

The final game for the girls was May 18 at home. Antioch beat Dundee 19-9, collecting 22 hits. Whitton, Ann Sertic, Pape and Byrne led the team in hitting. Pederson said Byrne and Bailey played strong defensive games.

Lake Villa camp needs volunteers

Male volunteers 16 through 30 years of age are needed for the Bob Kennedy Muscular Dystrophy summer camp in Lake Villa.

The camp dates are for two sessions: June 17-25 and June 25-July 1.

The camp is at Hastings and Ravenswood YMCA.

Volunteers do not need experience, only a desire to work with and assist a handicapped child or adult for one week.

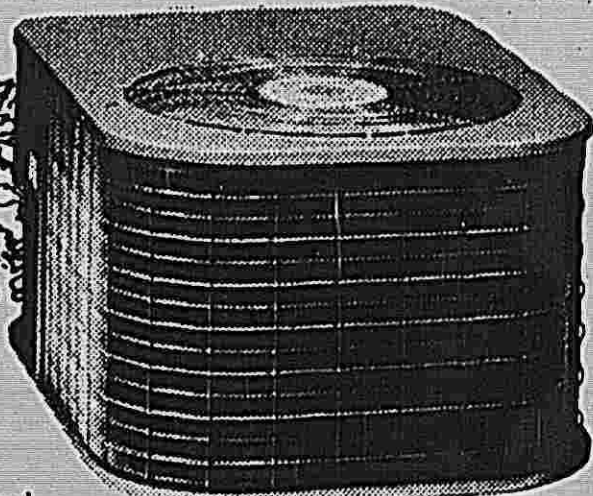

For information, persons can call (312) 495-1155 or write to the Muscular Dystrophy Association, 26 West St. Charles Rd., room 100, Lombard, Ill. 60148, after 4:00 p.m. Monday thru Friday.

Free! An \$80 Cook'n Cajun® Smoker with a purchase of our Westinghouse Central air conditioning system.

Buy an energy-efficient Westinghouse central air conditioning system and you'll get an exciting, work-saving charcoal-water smoker that smokes, barbecues, bakes, grills, and steams. The Cook'n Cajun never needs tending and basting, and never burns food.

Call today and find out how economical it is to keep your family summer-cool and comfortable. Cook'n Cajun offer ends June 30, 1978.

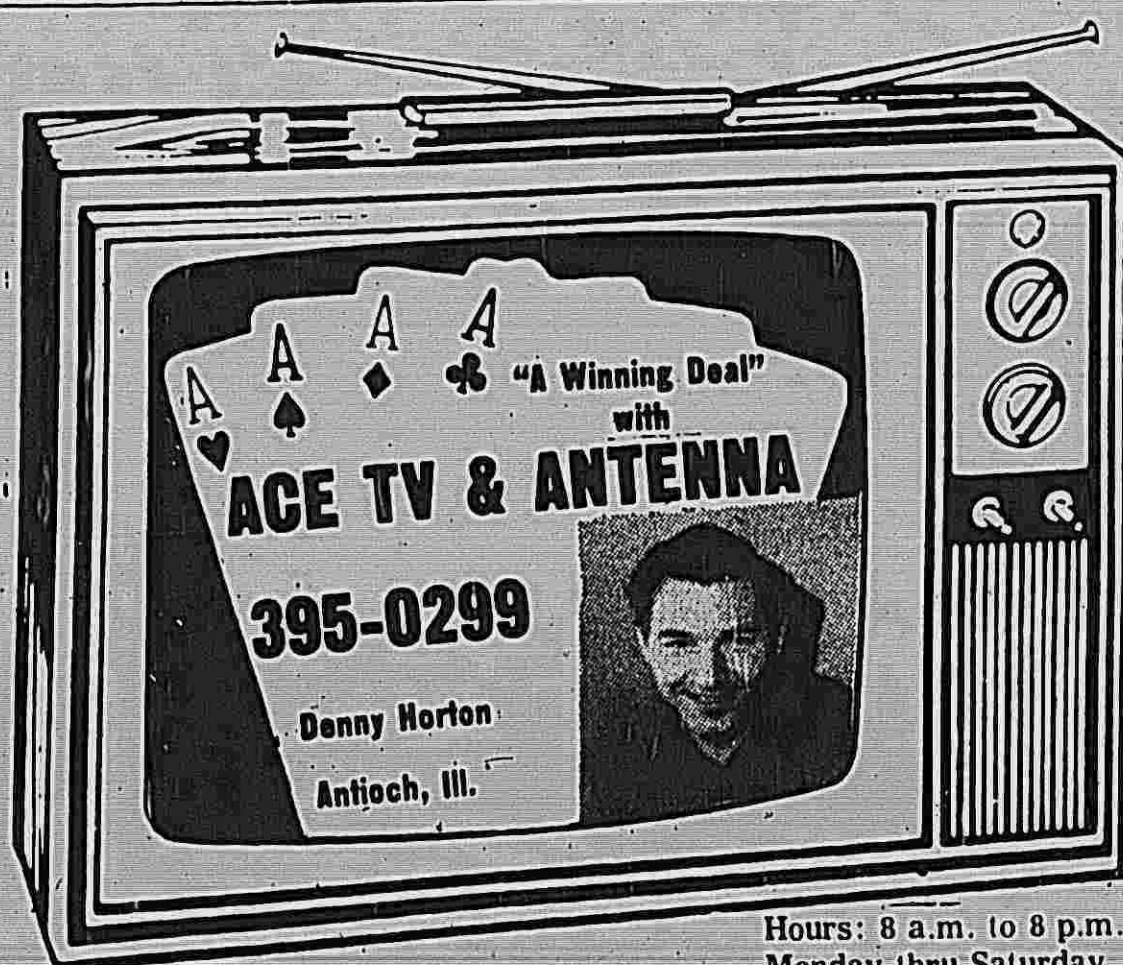

- **Energy-efficient ratios**—Matched to consumer's requirements and pocket-book.
- **Superbly engineered**—Provides the kind of performance and reliability demanded by Westinghouse standards of product excellence.
- **Clean, cool comfort**—All electric, so there are no flames, no smoke, no fumes, no odors.
- **Quiet operation**—Completely enclosed compressor makes unit much quieter than many others. Makes it a good neighbor to your own good neighbors.
- **Blends well with outdoor surroundings**—And, because it discharges exhaust upwards, will not harm lawn, flowers, shrubs.
- **Lasting quality**—Heavy-gage steel is bonderized, primed and finished with long-lasting, weather-resistant finish. Fully weatherproof.

'Swingers' open their golf season

Some unusual golfing feats were turned in by the Spring Valley Swingers in their first two outings of the season at the country club on Hy. 83 in Salem.

Joyce Wagner, wife of Spring Valley's owner, John Wagner, had the "best poker game" in the Class A flight when she shot five 5's. In the B flight, Jean Madsen had five 7's.

Last week, Carol Effinger made the longest putt in Class A and Betty Hartnell rolled in the longest putt in Class B.

Sinking chip shots were Judi Walauskis, Thelma Keulman and Gloria Swigart.

Rare muskie caught on Channel Lake

Ernie DiLabio of Antioch and Bert McDermit of Round Lake Park were successfully fishing for stripers at Channel Lake last week suddenly, as if someone shut out the lights, the fish stopped biting.

DiLabio found out why about five minutes later when to his amazement he hauled in a 30 and one-fourth inch, seven pound muskie on a small white jig.

DeLABIO THOUGHT it was unbelievable. He was using an eagle claw and an ultra light rod and reel with a four pound monofilament to catch the rare muskie.

The bonus muskie was hooked and landed in full view of at least eight customers from the Channel Lake Boat House, they said.

Jerry Engnath, resident guide and fishing consultant of the Channel Lake Boat House, verified that the fish looked like a northern-muskie hybrid cross.

LIKE TRUE SPORTSMEN, the two men had the fish photographed, tagged and released back into the water. Engnath is asking anyone taking the fish again to release it back into the Chain. He added that through tagging the fish, he is hoping to find out more about its movements and history.

Ernie DiLabio and his muskie.

Tom Richards, owner of Channel Lake Boat House, has offered a free boat rental or a free boat launch for one year to the person who brings the fish in again.

Channel Lake stocked with young walleyes

The walleye pike populations in the Chain O'Lakes was given a "booster shot" last week when Department of Conservation fishery biologists stocked 90,000 newly-hatched walleye frye in Channel Lake.

"Those walleyes that survive should thrive on a sizeable population of stunted perch in the Chain," said biologist Gary Erickson.

"Natural reproduction of walleye in the Chain is not believed to have fared well in the past several years because of water pollution and turbidity," Erickson said.

"This is the first booster stocking of walleye in many years. Limitations of Illinois' outdated fish hatchery

system prevent the raising of walleye locally."

The fish used in last week's stocking were obtained from the federal hatchery in Genoa, Wis.

Another 10,000 of the newly-hatched walleye have been placed in a rearing area along the Fox River at Moraine Hills State Park. Once those fish reach the fingerling stage, they also will be stocked in the Chain O'Lakes.

Besides the walleye, 50,000 northern pike frye are to be stocked at Turner Lake in Chain O'Lakes State Park. Turner suffered extensive fish kills last winter.

Another 50,000 of the pike are to be raised in a marsh at Lake Defiance and will probably be stocked at fishing lakes in the park, Erickson said. The pike, unlike the

walleye, are an Illinois product.

Erickson and biologist Harvey Brown obtained the pike eggs by milking northern on their spawning run earlier this spring.

Monmouth honors Abear and Sedar

Two 1974 graduates of Antioch High School were honored last week for their contributions to the Monmouth College athletic program in the school's annual All-Sports banquet.

Brandon Abear, son of Mr. and Mrs. Manuel Abear, Libertyville, received recognition for his sports participation. Abear is a physical education major.

Also, Rick Sedar, son of Mr. and Mrs. Richard Sedar, 628 Oak St., Lake Villa, was honored for his contribution to the athletic program. Sedar is an English and physical education major.

The banquet was organized by the Varsity "M" club and recognized letter-winners from the current year in each of 14 varsity sports.

The gardenia was named not for where it grows but after a botanist called Alexander Garden.

Andrews, Ano qualify for state track meet

Two Antioch High School track and field stars, Brian Andrews and Chris Ano, have won berths in the state championships at Eastern Illinois University in Charleston.

In last Saturday's district meet at North Chicago, Andrews placed second to the host team's brilliant Tyrone Jenkins in the 330-yard low hurdles.

Ano high jumped 6 feet 5½ inches, equalling his own school record, to finish second behind Jim Kennedy of Lake Forest, who won at 6-7.

STATE COMPETITION begins Friday morning and will continue through Saturday.

Kennedy predicted he will clear 6-8 in the state high jump. Ano also is shooting for that height.

Gail Olson, the Sycamore national sensation who has cleared 7-2, is the favorite. Ten others have cleared 6-6 in state high jump meets this spring.

IN THE LOW HURDLES, Jenkins' best time of 37.6 seconds has been beaten by only a few others, including Mark Rau of Glenbard West who has skimmed the sticks in 37.1. Antioch's Andrews has been second to Jenkins in both the county and district meets.

Two other Antioch athletes placed in the district meet but didn't attain state qualifying standards. Tracy Sodman was third with a throw of 141 feet and Bill Strzelecki leaped beyond 21 feet in the broad jump to place fourth.

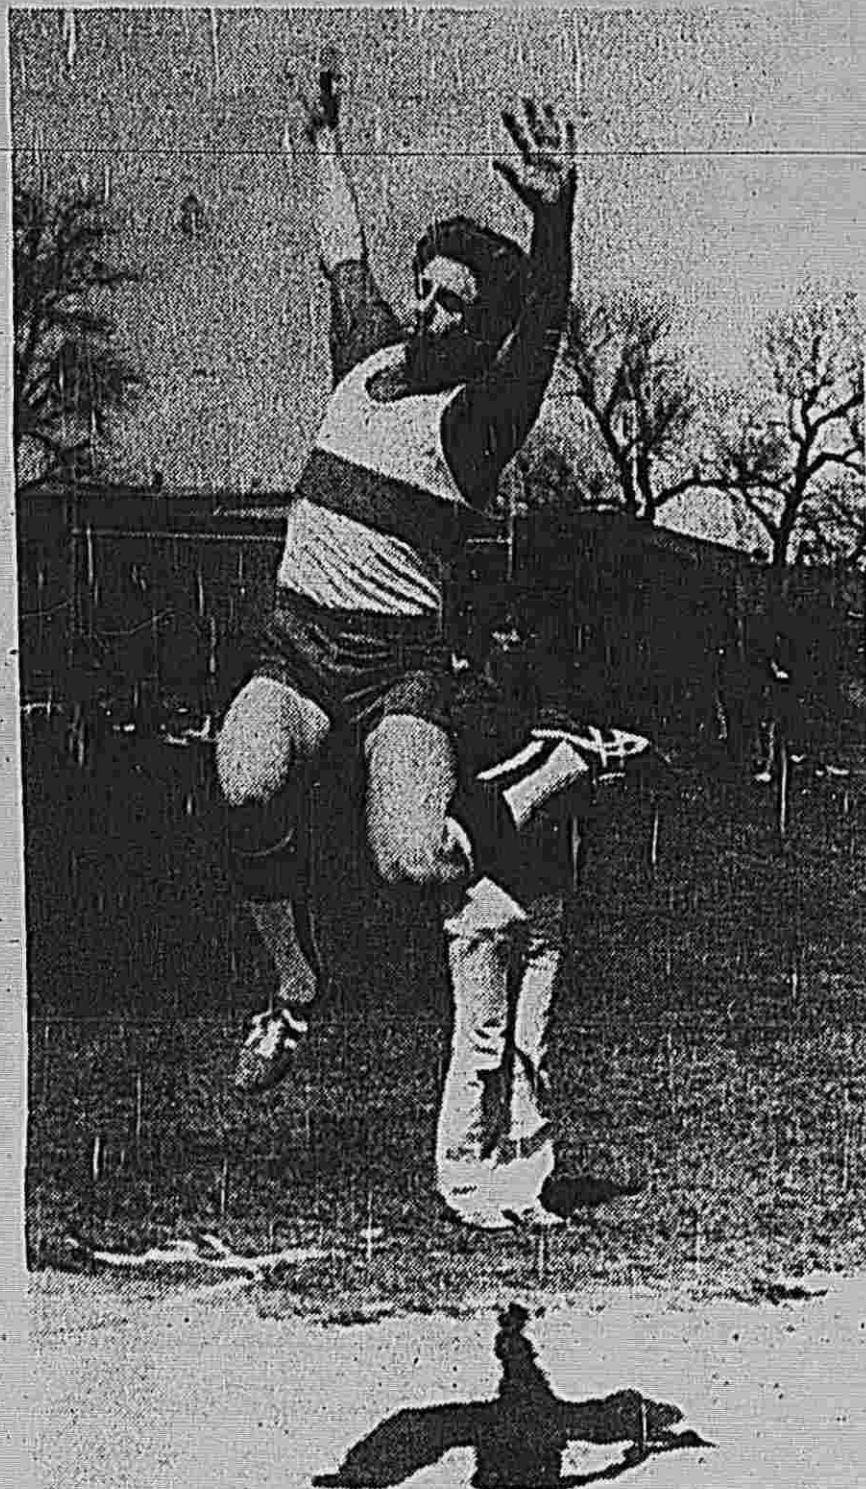

LAST WEEK, ANTIOCH also placed second in the conference meet, won by Warren. The Blue Devils scored 153 points to Antioch's 135, with Grant and three other teams trailing.

Jim Crutchfield of Antioch placed third in the 100 and 220-yard dashes and a freshman, Andy Dugenske, showed outstanding potential by placing third in the 440. His time was 53.8. Dugenske came from sixth to third place in the homestretch and now is the fastest freshman Antioch ever has had in the 440.

Andrews won the low hurdles title in 39.6 seconds and Ano triumphed in the high jump. Denis Flaschner of Antioch was third in the high jump at 6 feet.

Strzelecki won the long jump and Sodman captured the triple jump title besides winning the discus with a throw of 149 feet.

Mike Harr of Antioch was second in the discus at 146 feet and Ray Parpan second in the pole vault.

LEAPING FOR DISTANCE was Bill Strzelecki, who placed fourth in the long jump at last Saturday's district championships.

CLC News

The College of Lake County (CLC) has been granted five-year national accreditation for its Medical Laboratory Technology (MLT) program.

The recognition, given by the Committee on Allied Health Education and Accreditation, will list the MLT program in the national directory of approved medical education programs.

The college's medical laboratory, used for the MLT program, was recognized as one of the finest educational labs in the nation.

Sister Elaine Gremminger, coordinator of the College's MLT program, said the accreditation will serve to assure MLT graduates of continued eligibility for registry as medical lab technicians by the Board of Registry of Medical Technologists.

The two-year MLT program offers an associate of applied science degree and is designed to prepare technicians for middle-level responsibilities in clinical labs.

All program applicants must complete a special screening procedure before entering the MLT program. For information about the program or screening procedures, Sister Elaine said she can be contacted at 223-6601, extension 358 or 420.

FOLLOWING HIS PERFORMANCE as one of the stars of Antioch's championship basketball team, Tracy Sodman became a standout for the high school's track and field team this spring. He placed third in the discus throw in last Saturday's district meet at North Chicago.

Korjenek wins district championship

The Antioch tennis team finished the season with its best performance this year.

The Sequoits, 15-3, were second in the conference to Stevenson. Tom Mehlhorn and Tom Surrock won the second doubles title while Dennis Korjenek and Keith Rezin and the doubles team of Roger Korjenek-George Richter finished second. All were medal winners.

The third place team, Warren, was far behind Antioch. In preparation for the district meet, Antioch beat Carmel 4-1 and Zion 5-0, but lost to the toughest team they have played all year, Lake Forest 1-4.

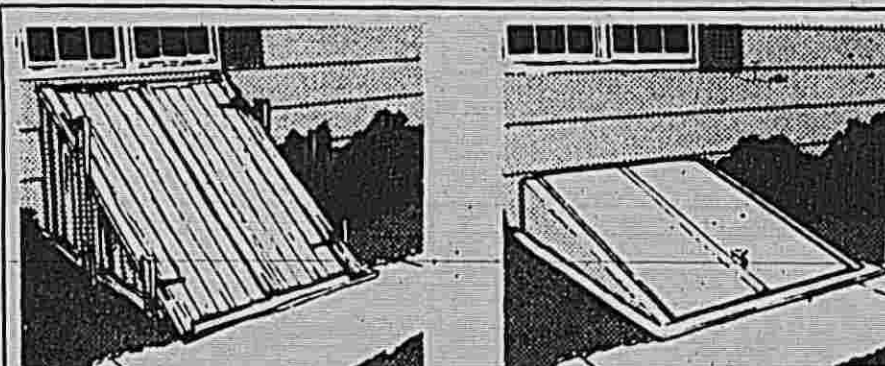

THE DISTRICT MEET started Friday at Barrington with the host team favored slightly over Crystal Lake to win the title.

Antioch seeded Dennis Korjenek second but could not seed a doubles team with the high quality of the other entries.

In the first round of play, all of Antioch's players advanced. Tom Surrock won his singles match over John Sabtka of McHenry 7-5, 6-4 to advance.

Roger Korjenek and Tom Mehlhorn won their doubles match against a Lake Zurich pair 6-4, 6-2.

George Richter, playing with Keith Rezin, won in a feed-in bracket over a Marion Central team only to play the fourth-seeded doubles team from McHenry. Richter and Rezin upset the seeded team 6-4, 6-3 after being down 4-1 in the first set.

What a difference a Bilco Door makes!

Here's the way to add new beauty to your home. Replace that wooden hatchway with a modern, all steel Bilco Door. It's ruggedly built, weather-tight, and so easy for everyone in the family to use! What's more, it will make your basement more secure against intrusion. And it will pay for itself many times over by saving repair and replacement costs.

If your home was built without the convenience of a direct basement entrance, ask us for Bilco's new handbook "How to Add Valuable Living Space to Your Home."

Stop in and see our display. We'll give you free literature on how to do it. Or, we can suggest a man to install it for you.

Deadline is near for tennis meet

The deadline for entries is Saturday for the seventh and eighth grade boys and girls tennis tournament to begin on Friday, June 2, at the Antioch High School courts.

The tournament is sponsored by Ron Halpern, Antioch High School tennis coach, in cooperation with the Antioch Parks Department. Participants must be in seventh or eighth grade.

Participants must bring one can of new tennis balls with them and must be at the high school course at 3 p.m. on June 2.

Play will continue the next morning at the high school and at Doc Jensen Park.

Those interested in competing should contact Coach Halpern at the high school or the Village park office, 874 Main St.

High school golfer gets hole-in-one

Bob Sertic, a member of the Antioch High School golf team, scored a hole-in-one at Spring Valley Country Club while playing a practice round with friends.

Sertic, a junior, used a

7-iron for the approximately 150-yard shot on the par-three 11th hole. The ball landed on the green and "trickled into the cup," Sertic said.

He finished his 18-hole round with a score of 73.

RICHTER AND REZIN were determined to come back for the semifinals on Saturday but Woodstock's tough doubles team stood between them and their goal. The Woodstock team had beaten Richter and Korjenek in league play, but Richter and Rezin blew them off the court 6-0, 6-0 and earned the right to face Barrington's best doubles team.

In Saturday's semifinal match, played indoors because of rain, Barrington downed Richter and Rezin 6-2, 6-3.

"This was the first time Antioch moved a doubles team to the semifinals of the district meet in the three years of competition, and it was the first time every Antioch entry won a first round match," Coach Ron Halpern said.

DENNIS KORJENEK WON his first-round match against Tom Carey from Marion Central 6-1, 6-3. Jeff Banker from Crystal Lake was Dennis' next foe. Dennis lost the first set 3-6 but set up a third set by winning 6-1. In the third set Dennis was up four games to none when Banker won six of the next seven games to take a 6-5 lead. Dennis held serve to force the match into a tie-breaker (first player to win seven points). Dennis won 7-3 in the tie-breaker to earn a semifinal match.

Findley from Barrington met Dennis Saturday for another three-set match. Korjenek needed to win in order to get into the finals and receive a bid to the state tournament in Arlington Heights. After winning 6-4 Dennis lost 3-6 but won the last set 6-0.

He then met Eric Eberhardt from Crystal Lake who was the No. 1 seed. The first set went to Eric 6-4. Dennis came back to win the second set 7-5, playing the best tennis he's played all year, according to Halpern. The third and final set was tied at three all when Dennis put together a service break and held serve to win the district title.

IN THE PAST two years, Antioch has performed poorly in district play despite 9-5 and 14-1 seasons.

"We peaked at the right time this year," said Halpern. "We surprised a lot of people including myself."

District scores were: Barrington 15, Antioch 14, Crystal Lake 12, Wauconda 6.

TENNIS LESSONS

Local athlete graduates from Doane College

On Monday, May 15, Victor McGuire, a former Allendale School resident and a graduate of Antioch High School, received his B.A. degree in education from Doane College in Crete, Neb.

Vic is remembered in Antioch as a tall, lanky guy who played basketball and high jumped for Antioch High.

He graduated in 1974 and went to the College of Lake County for a year, while living with Mr. and Mrs. William Grunewald of Antioch.

VIC MCGUIRE

HE WAS SUCCESSFUL enough in both of his sports to receive athletic scholarships for college.

He chose Doane, a liberal arts college in a suburb of Lincoln, because of its setting and athletic programs.

Vic minored in theater arts and he has acted in and directed several productions.

While in college, he participated in track and achieved indoor and outdoor high jump championships in his league.

He was also initiated into the "Outstanding Young Men of America."

VIC PLANS TO STAY in Nebraska and, in particular, the Lincoln area, where he will be working this summer. He plans to teach in the Lincoln area in September and is currently interviewing.

Mr. Wayne Parthun, director of operations and development for Allendale, attended the baccalaureate service on Sunday, May 14, and the graduation ceremonies on Monday, May 15, representing the Lake Villa school.

Vic has been the recipient of tuition assistance and living expenses from Allendale, through its scholarship fund, for his full three years at Doane. This type of funding is available to Allendale graduates who qualify and desire to go on to a school of higher education.

Vic will also be taking part in a special dedication ceremony at Allendale on Friday, June 9, when he will introduce Allendale's commencement speaker, Dr. Julius B. Richmond, surgeon general of the United States. Dr. Richmond is also a graduate of Allendale.

PITCHING THE FIRST BALL of the season, Mayor Michael J. Haley was present for Antioch Little League opening day activities last week as the Orioles, sponsored by Roland's Bakery, and the Giants, sponsored by Rittenhouse & Embree Lumber, played the first game of the season. The previous Sunday's opening day had to be rescheduled due to inclement weather.

Korjenek wins district championship

Continued from page 22

Grant 4, McHenry 3, Marion Central 3, Woodstock 3, Lake Zurich 0. Antioch missed sending its whole team to the state tournament by one point. Dennis will go as the district champion."

Dennis started playing tennis his sophomore year. He took up the game year-round and Halpern said "his dedication, skill, and fine personality made Dennis a champion."

OBITUARIES

Arnold K. Soe

Mr. Arnold K. Soe, 48, of Antioch passed away Thursday at Grant Hospital in Chicago. He was born on Mar. 28, 1930 in Art Karbe, Germany and came to America in 1957 to settle in Chicago. He then moved to Antioch in 1971. He was employed as a tool grinder for the ITT Bell and Gossell Co. in Morton Grove and attended the Baptist Mission Church in Chicago.

He married the former Josephine Imself on Oct. 3, 1953 in East Germany.

Survivors include his wife Josephine; one son, Frank Soe (at home); one daughter, Gabriele (Edward) Mikula of McHenry; his mother, Margaret of East Germany; one brother, Herbert Soe of East Germany; two sisters, Eileen (Wermer) Konig of East Germany and Vera (Ernest) Schmidt of East Germany.

Funeral services were held Monday at the Strang Funeral Home, Antioch. The Rev. Ehrenfried Merke of the Baptist-Mission Church of Chicago officiated. Interment was in Hillside Cemetery, Antioch.

Cora L. Hahn

Cora L. (Kaltenbach) Hahn, 67, of Sandusky, Ohio, died in Good Samaritan Hospital there after a year's illness.

She had been employed as a dietician in area nursing homes.

Her son, George, is the owner of Hahn Jewelry in Antioch.

She was a graduate of Sandusky Businesswoman's College and was a member of the Pythian Sisters, Berlin Temple 298.

Surviving are her son, George W., Antioch; a daughter, Mrs. Ronald (Carol) Dahs, Sandusky; five grandchildren; a brother, Martin Kaltenbach, Sandusky; and two sisters, Ruth Stotz, North Monroeville and Mrs. Clarence (Dorothy) Schafer, Norwalk.

She was preceded in death by her husband, George L., in 1954, and a grandson, Daryl.

Arthur R. Henning

Arthur R. Henning, 77, of Russell, Ill. passed away Monday, May 22, at the High Ridge Nursing Home in Racine. He was born July 19, 1900 in Westfield, Wis. He lived in Genoa City, and Libertyville before moving to Russell 11 years ago. He was a machine operator for many years, retiring in 1968.

He married Anna Kreihe on July 7, 1922 in Chicago.

Survivors are his widow Anna; one daughter, Mrs. Ann Marie (William) Hill of Russell; two sons, Arthur (Marion) Henning of Racine and Edward Henning of Endeavor; two brothers, Alfred Henning of Montesano, Herbert Henning of Neilsville; one sister, Mrs. Ella (John) Kollas of Eau Claire; nine grandchildren and five great grandchildren. He was preceded in death by one son, John E. Henning on Aug. 10, 1976 and three sisters.

Funeral services will be held tomorrow (Thursday) at the Strang Funeral Home, Antioch. The Rev. Philip O. Laurin of St. Stephen Lutheran Church will officiate. Interment will be in Hickory Union Cemetery, Newport Township. Friends may call at the funeral home today from 4 p.m. to 9 p.m.

Hattie M. Brunk

Mrs. Hattie M. Brunk, 69, of Paddock Lake, passed away Friday at the Hospitality Manor, Kenosha, after a lingering illness. She was born Mar. 22, 1909 in Germany. She came to the U.S. in 1926 to settle in Chicago and had lived in River Grove for many years before moving to Paddock Lake in 1964.

She married Fred G. Brunk on July 27, 1929 in Chicago. She had worked as a seamstress for the O'Bryan Bros., Co. in Chicago for 25 years and later for Charmglo Co. in Bristol for eight years.

Survivors are her husband, Fred; four brothers, Eric (Frieda) Becker of Paddock Lake, Albert, Carl and Otto (all in Germany); one nephew, Walter (Martha) Brunk of Park Ridge. She was preceded in death by three brothers and two sisters.

Funeral services were held Sunday at the Strang Funeral Home, Antioch. The Rev. Philip Borleske of Christ Lutheran Church in Paddock Lake officiated. Interment was private. In lieu of flowers, donations may be made to the Salem Township Rescue Squad.

LEGAL NOTICE TO BIDDERS WATER SYSTEM IMPROVEMENTS WELL NO. 5 ANTIOCH, ILLINOIS

Notice is hereby given that the President and Board of Trustees of the Village of Antioch, Lake County, Illinois, will receive bids at the Village Hall, 874 Main Street, until the 5th day of June, 1978 at 8:00 P.M. Central Day Light Savings Time, for the drilling of water well no. 5 and the installation of a well pump, motor, and accessories. The proposed well will be drilled on a Village site located approximately 200 feet North of State Route 173 and lying midway between the Antioch Advertiser and Animal Hospital Buildings. Access to the proposed well will be through the Advertiser parking lot.

The bids will be publicly opened and read at the meeting of the President and Board of Trustees beginning at 8:00 P.M. on June 5th, 1978. Bids will be acted upon at said time and place, or at a later time and place as may be then fixed.

The work to be done consists of the following:

1. The drilling, testing, and proper finishing of a gravel packed well having a nominal diameter of 38 inches to an approximate depth of 130 feet, and having a water production capacity of at least 600 gallons per minute.

2. The furnishing and installation of a 600 GPM deep well, vertical turbine, line shaft pump, 60 HP motor, accessories, but no electrical controls, or motor starters.

All work is to be performed in accordance with the Plans and Specifications which are on file in the Village Hall and at the office of Applied Engineering Company, 1885 Hicks Road, Rolling Meadows, Illinois 60008.

All bids shall be submitted, on forms provided, to the Village Clerk on or before the time specified above.

Each bid shall be accompanied by a check drawn on and certified to be an acceptable Illinois bank in an amount of not less than ten percent (10 percent) of the total bid, made payable to the Village of Antioch, Illinois. The certified check shall be forfeited if the bidder fails to enter into a contract and furnish bond after his proposal shall have been accepted.

The certified checks of unsuccessful bidders will be returned within 15 days of the award of a contract. The certified check of the successful bidder will be returned after he enters into a contract and furnishes a satisfactory performance bond. Bid bonds will not be accepted.

The successful bidder shall furnish a performance and guarantee bond to the Village of Antioch in the amount of 100 percent of the contract.

Payment will be made in cash on the basis of approved progress estimates.

This work shall commence within thirty (30) calendar days after date of notice of award, and all work shall be

completed within sixty (60) calendar days after date of notice of award.

The Contractor shall pay labor employed on the work, not less than the prevailing wage scale as required by State Statutes.

The Village reserves the right to defer acceptance of any proposal for a period not to exceed thirty (30) days after opening of bids, and reserves the right to reject any or all bids, to waive informalities or technicalities in any bid; and to accept the bid which it deems to be in the best interest of the Village of Antioch, Illinois.

Bid documents are available at the Village Hall in Antioch from the Village Clerk for a nonrefundable charge of ten (\$10.00) dollars.

7th grade Apaches win track crown

The seventh grade track and field team of Antioch Upper Grade School won the Northwest Suburban conference championship last Saturday.

Coach Bob Lipinski's athletes, competing at Grant High School, edged Woodland for the title by 1 1/2 points.

Antioch's seventh graders had finished second to Woodland last year.

TIMOR JUNG LED the way for Antioch this time by outdistancing the field in the 70 and 120 yard hurdles.

Jung's victories, along with Brad Herbst's first place finish in the high jump and George Bessette's win in the shot put, gave the Apaches an early lead.

Points continued to roll in for Antioch as John Oelkers and Andy Lehn took third and fourth respectively in the discus while Bill Carney ran second in both the 220 and 440 yard dashes.

Carney then teamed with Lehn, Bessette and John Weidner to win the 880 yard relay.

Herbst, Derek Olsen, Dan Maxwell and Les Zitkus combined their speed to place third in the 440 relay.

Woodland also was piling up points, but Antioch came back with George Bessette winning the 880, while Lehn took third. Herbst added to the scoring by sprinting home third in the 100 and fifth in the 50-yard dash.

GOING INTO THE final event, the sprint medley relay, Antioch trailed Woodland by only one-half point. Herbst, Mike Mohr, Olsen and Carney teamed up to win that race

while Woodland placed second.

Antioch Upper Grade teams have now won either a seventh or eighth grade conference title in each of the last four years.

The eighth graders didn't fare as well this year, but Coach Lipinski praised the individual performances of Rich Schlarbaum, first in the shot put and third in the discus; Matt Stevens, second in the 120-yard hurdles; Hank Woolard, fifth in the broad jump; Paul Baczynski, third in the 50 and 100-yard sprints, and Craig White, fourth in the 70-yard hurdles.

The 880 relay team of Stevens, Greg Lewis, Baczynski and Woolard placed second in the conference meet.
